Re: G&H Landfill Site, Macomb County, Michigan

Pursuant to the Freedom of Information Act ("FOIA"), please provide a complete copy of the following documents, including electronically stored documents and data, for the above site:

1. All documents from January 2011 to present.
2. Any other documents reviewed by or relied upon by EPA or its contractors regarding the requests for corrective action plans set forth in EPA's November 26, 2013 letter from Thomas R. Short, Jr.

This request is for documents from EPA's Superfund Division, and includes files from the Site files; RPM files; and Regional Counsel files. If the documents are voluminous, before copying or downloading the files to disk, I would appreciate the opportunity to first inspect these files.

Please notify me if any documents are not being released or made available for inspection (a non-releasable list), and if so, please provide me with a non-releasable list.

We are willing to pay statutory fees for the information requested.

Thank you very much for your assistance in this matter, and please feel free to call me with any questions or comments.

Sincerely,

Sharon Salinas
